GLOBAL TV PARTNERSHIP DRIVE

14/2/2011

Together Far Better

“Global TV is a Network of Enterprising individuals who lead their activities at every point”. Do not expect anyone to take up the responsibility of your pay cheque. You are the best person to do that”

The Rule

There is no employee employer relationship arises in Global TV. There is no one to take the responsibility of your pay cheque. Also there is no one to boss over you. Global TV is a network of many individuals who work together as a team. Most of them are entrepreneurs and Global TV enhances their performance on the principle of Synergy.

This doesn't mean that anyone can do any kind of broadcast at Global TV Channel. We are very clear about what should come and what should not enter our Editorial Gateway. We select people who are committed to the nation to be part of Global TV.

There are various partnership options available. Also note that your association with Global TV ends any moment you are caught corrupt in the mission entrusted to you. Utmost sincerity towards quality journalism is the prime requirement to be part of Global TV Network.

We do not give any target to you. It is you who should decide about the nature of your work and also the financial target if at all required. There is no harm in you submitting a career plan for you with Global TV including the Revenue and Expenditure Budgeting.

Together Far Better

Non-Commercial

There is absolutely no issues for you work with Global TV on a Non-Commercial platform. You should submit a statement mentioning the ways and means that you fund yourself to do free service in Global TV Network. This is required only when you want to be part of Global TV Network for a longer period and also needed with Visiting Cards etc.

There is absolutely no restriction for you submitting a broadcast for Global TV. You can be a Correspondent of Global TV just by submitting a minimum of 2 broadcast in a Month. At the third month you need to decide to continue or not with Global TV.

You need to regularize your position at Global TV in 4 months from the submission of first broadcast. This is to help you to quit silently in case you find it is not worth to be a part of Global TV Network.

Global Media Centre

We start to count on you on your continuation in the network more than 100 days. A Global Media Centre will be initiated at this point keeping you as the Team Leader. You shall now expand your team up to 10 people as it is suitable to your place. The team shall be formed in any form of existing entrepreneurship; in India it is Sole Proprietorship, Partnership or Joint Stock Companies. Co-operative Societies or Trusts shall also be formed at places as is required as found worth at such places.

International locations attract the rule applicable at those places. Also Global TV Network shall form part of an existing establishment at the place such a unit need to be initiated.

Together Far Better

We do not give more importance for the Business part of the establishment. Even when we are aware the need of economic viability of every activity involved, we never want money to be a constraint for making an editorial decision of any of the Broadcasts in Global TV Channels.

Well-to-do Individuals who are concerned about their society, Various Service Providers at every places who wish to expand their area of operation in variety and quantity, Educational Institutions, Non Governmental Organizations etc. shall open up Global Media Centres...

An Advertisement for news is offered for Channel Partners. There will be an Annual Fee Charged for Non Charitable Organisations...

Warm Regards
